Bob Wade, a partner at Krieg DeVault LLP and an engaging nationally recognized speaker on health care law and compliance issues, is the creator of Captain Integrity. He represents health systems, hospitals, ambulatory surgical centers, physician groups, physicians and other medical providers. Bob is a former General Counsel and Organizational Integrity Officer for a hospital system and is one of five current members on the advisory board for Compliance Monitor. Bob's program takes complex legal issues and describes them in practical, understandable terms that can be applied immediately.
